

Access

Osea is a tidal island and is accessible via a mile long road for a 4 hour period every 12 hours. Outside of these times access is via boat (The river taxi which takes 8 minutes, must be pre-booked in advance, a fee is applicable) or by helicopter (London/ Battersea Heliport, 20 minutes, a fee is applicable).

A Tide Time chart has been provided for your convenience so that you may be able to determine your arrival and departure times according to when it is low tide: Tides were accurate at the time of printing. Osea are not liable for any changes thereafter.
